Hello Art,

Sorry so long getting this back to you. FB on the 4W QRP. I was camping in the Chattahoochee Nat. Forest about 75 Mi. N. or Atlanta during this QSO. From the home QTH I can't get on 40 M because of the antenna. A week or so earlier I had been up near Hayward Wisconsin, where I rent a cabin, fish, and visit my kids and grandkids. Up there, I used the same setup for hamming.
